## General information

Article number : 10071401 CamelBak® Chute® Mag 750 ml Tritan™ Renew bottle

Description : Your daily hydration habit with a sustainable twist. The lightweight and durable Chute® Mag water bottle is now made with Tritan™ Renew, a highly durable and lightweight plastic made with 50% recycled material. Besides the do-good construction, you'll love the high flow universal magnetic cap. It's leak-proof when closed, stows securely out of the way when drinking, and is compatible with Eddy®+ and Carry Cap vessels. Tritan Renew is made using Polyester Renewal Technology, a recycling process that's more efficient than standard mechanical recycling, producing new material with less demand on finite resources. Odor and stain resistant, and free of BPA, BPS, and BPF. Tritan™ Renew.
