General information

Article number : 12069090 Case Logic Uplink 15.6" backpack
Description : The Case Logic Uplink backpack has 26 litres of storage capacity including two large compartments, double front pockets, and plenty of organisation compartments. The backpack is made of 100% recycled 600D polyester body material combined with padded, durable 100% recycled 1200D polyester base. The contoured shoulder straps and a quilted, fully-padded back panel ensure a comfortable carry. Featuring a 15.6" padded laptop compartment, a 10" tablet sleeve, two large side pockets for a water bottle or other small items, and a front organisation pocket for small electronics, pens, and keys. The spacious main compartment is designed to fit books and folders and a secondary compartment for additional notebooks, headphones and personal items, plus a small zippered privacy pocket. The quick-access front pocket could store a phone and small accessories. Recycled Polyester.
