General information

Article : 12429001 Essos 2.0 True Wireless auto pair earbuds with case
number

Description : The famous Essos earbuds has got a refresh with this new 2.0 version! A completely new design with the same quality focus in mind. The earbuds feature Bluetooth® 5.3, auto-pairing, and auto power-on. Integrated with transparency function which will enhance the sound surrounding you from outside by built-in programming, enabling you to be aware of your surroundings when wearing earbuds. It's even possible to communicate with people without removing the earbuds. Once the 300 mAh battery of the case is charged, it can charge the earbuds 3 times from 0-100%. With over 3 hours of playback time at max volume on a single charge these earbuds are a must for any traveler. The earbuds supports quick charging. Only 10 minutes of charging provides over 60 minutes of playback time at max volume! The ergonomic design of the earbuds keep them securely in place when on-the-go. Built-in music controls and dual microphones for hands-free operation. The case can be charged in under 1.5 hours. Supports Siri and Google Assistant. Bluetooth® working range is up 10 meters. Delivered in a premium gift box made of sustainable material. ABS Plastic. Packaging: FSC Mix Credit P5.1 CU-COC-877277.
